	<h1 style="text-align: center;">Attendance Policy</h1>	Version:	1.0
		Code:	NA-PL-12

## 1. Policy Objectives

1. Cover the attendance expectations placed on all partners working for New Age.
2. Disciplinary actions for partners who fail to comply with the attendance policy.

## 2. Policy

- We follow flexible hours model, all partners are free to define which time to work except for the following, they shall organize their time according to the requirements of the company:
  - 1.Meetings (Departmental, Company, Trainings, etc...)
  2. Urgent Tasks & Messages
  3. Deadlines set by Direct Managers
- Partners shall use Upwork Time tracker or Top Tracker to track their work according to their weekly limit that is predetermined before the hiring & reviewed & updated later.
- Partners are expected to meet their weekly hour limit according to assigned tasks & in case a team member is not assigned enough tasks; they should reach out to their direct managers to assign more tasks.
- Partners who fail to meet their weekly limit will face disciplinary actions according to the following table:

#	Conduct	Action
1	Meeting less than 90% of weekly limit, 1 <sup>st</sup> time	Verbal (Informal) warning from HR Team
2	Meeting less than 90% of weekly limit, 2 <sup>nd</sup> time	Written warning
3	Meeting less than 90% of weekly limit, 3 <sup>rd</sup> time	TBD by HR team & Direct Manager
4	2 Straight Weeks of untracked time without providing any justification.	Contract Termination

- New Age doesn't offer overtime pay. However, if overtime was authorized by the CEO, the team member should create an invoice with the number of hours worked as overtime & submit it on the portal through "Payment request form" for CEO approval.
